

## Blessed Fate (Blessed Tragedy Book 2)

Colton Bradford never believed in love at first sight. And then, Rain Maxwell walked through his buddies front door. He knew there was something special underneath the shy, guarded exterior and was determined to find out what it was. The problem? Rain had devised her own set of life rules and Never get involved with a band mate was right near the top of that list. She allowed Colton into her heart as one of her closest friends, but pushed him away at the mention of anything more. When tragedy strikes Rains personal life, Colton is determined to be there for her in whatever way shell allow. Will she finally open up to him and consider taking things to the next level? Will Coltons ways of trying to bury his feelings for Rain in the past ruin the possibility of a future for them? If you are looking for a solid 5 ++ star Rock Star Romance series then Blessed Tragedy is the series for you! I felt there was immense growth between the first book and the second ~ both were awesome but for some reason this one is my FAVORITE! Totally worth the read ~Shh Moms Reading I adore the relationship between Colton & Rain and this for me was a really good read. What I liked best is that there were no questions left unanswered, I felt connected to every character in the story, not just Colton, and there is a sweet, sweet, HEA!!!! 4.5 stars ~Book CrushHB Heinzer wrote an awesome story and Colton is definitely a one of a kind rock star that you cant help but fall in love with but then also want to smack! I adored this story! ~Three Chicks and Their Books
