

Conquest of C // C core enterprise software development technologies (with CD-ROM)(Chinese Edition)

In paperback. Pub the Date: August. 2008
 Pages: 432 Language: Chinese in
 Publisher: Scientific Press conquer CC + +
 enterprise software development core
 technology (attached CD-ROM) introduces
 how the PC system build Linux + the
 Oracle Enterprise software development
 environment. and this as the base platform
 to introduce the CC + + language to
 develop enterprise applications. Conquer
 CC + + enterprise software development
 core technology (attached CD-ROM)
 reasonable structure. step by step. for the
 camp. taking into account
 LinuxUnixWindows operating system. the
 content includes: basic environmental
 structures. development and debugging
 method. commonly used integrated
 development environment (IDE).
 LinuxUnixWindows cross-platform
 software development process
 communication. daemon and Windows
 service program development. network
 communication under multi-threaded
 environmen...
