

Final Shot: A Psych n Roll Mystery

Set in 2010 New York City, Final Shot tells the story of devastating family secrets and redemption for past failures. Baruch Gittlestein worries about everything. His doctors say hes paranoid, but Gittlestein knows his fear is real. A woman with red hair stalks him on the streets of New York City. The young man in the post office line plots to kill him. His death from a panic-induced coronary becomes the first in a chain of deadly events that spell disaster for Ike Miller. A Ph. D. psychologist, radio talk-show host, and former college basketball star, Ike is driven by grief and anger over his failure in the NCAA finals and the shooting death of his musician father. Smart and funny, but naive, Ikes got a balky knee and has trouble with love relationships. And things are about to get much worse. The duo that scared Gittlestein to death wants something from Ike. He hasnt a clue what it is. Not knowing puts Ike in a game more challenging than any he ever faced on the hardwood. But in this contest the final shot could mean the end of Ikes life.
