

Shades and Divinations (Vol. 1)

In these ten vivid tales of the macabre, W.J. Renehan artfully depicts roads less traveled vacant spaces in both terrain and time where light yields to darkness, order to chaos, and reason to its reverse image. Renehans artfully-rendered stories steer us down infernal off-ramps to unhallowed places where tortured souls dwell forever, and malevolent corruption thrives in abundance: dark blossoms on a withered bough.
