

The Brief English Handbook

This easy-to-use handbook features full-length coverage of composition basics in a concise and user-friendly format. Professors will appreciate its thorough attention to the writing process and critical thinking as well as grammar and research. Students will appreciate its user-friendly trim size, spiral-bound format, and affordable price. Provides complete, authoritative coverage of the writing process, research and grammar, with detailed discussions of critical thinking and argument, using computers and the Internet for writing and research, the latest guidelines for citing sources correctly in MLA and APA styles, and writing for the workplace. For anyone needing a reference geared to writing and/or researching papers.
