A Woman in Hiding Nicole Farringtons life had never been easy, but it had always been bearable. At least it had been until now. Faced with a horrible marriage her step-brother has contracted for her, she will do anything to get away. She'll run to anyone who might be able to help her. But running blindly down an unknown path may take her to an unexpected destination.

A Man Seeking Answers Julian Huntington, Earl of Foxley, wants nothing more than to have his carefree life back. Now he is left with a title, a child, and a future that he never expected would be his. He refuses to believe his brother's death was an accident, no matter what people say. Someone killed him and Julian plans to find out who and why. Maybe then he can go on with his life his brother's life. But will the answers he seeks be enough, or will he find love to be a worthier goal?
