

## The Blue Sweetheart

Thick sticky heat came gushing from the Indian Ocean, closed in on Ceylon, and it seemed to Clayton that he was the sole target. He sat at the bar of a joint called Kroners on the Colombo waterfront, and tried vainly to cool himself with gin and ice. It was Saturday night and the place was mobbed, and most of them needed baths. Clayton told himself if he didnt get out soon, hed suffocate. But he knew he couldnt walk out. If he walked out, hed be killed. And for what? A glittering sapphire and a beautiful platinum blonde? and Clayton wanted them both; wanted them badly enough to kill for them. Gritty, exotic noir by the author of Dark Passage.
