

A Double Story

Master tale-spinner George MacDonald writes of the palaces and furze-covered hills of mystic old Scotland in his delightful novel of court and countryside, *A Double Story*. She might call and shout, And no one about Would ever call back, Whos there? On the wide road leading straight into the country, the wise old woman unfolds her cloak -- and releases from within its folds the Princess Rosamund. When the girl opens eyelids swollen from weeping, she sees nothing familiar. City and palace -- gone! Soon she and the wise old woman arrive at a cottage . . . one that seems to have a mind of its own -- to the infinite displeasure of the spoiled young girl!
