

A Healthy Homicide (A Blossom Valley Mystery)

Normally the OConnell Organic Farm and Spa in Blossom Valley, California, would welcome a little healthy competition. But its no day at the spa when the rivalry with their chic opponent turns lethal. . . Blossom Valley is abuzz with excitement over The Pampered Life, a brand new spa with a trendy menu of decadent services and employees who look like they jumped off the pages of a fashion magazine--and Dana Lewis is worried it could ruin business. But when the swanky spas owner is drowned in a mud bath, police suspect a healthy rivalry may have turned into deadly revenge. Now, with all eyes on the farm, Dana must sift through a tawdry list of suspects and catch a killer more fearsome than a botched chemical peel. . .
