

## Commentary Upon the Epistle of Saint Paul to the Romans (Classic Reprint)

Excerpt from Commentary Upon the Epistle of Saint Paul to the Romans The importance of this Epistle, the intricacy of many of its parts, and the prominence which it gives to those leading views of doctrine which Calvin made it the business of his life to illustrate, were well fitted to call forth his unrivalled powers as a commentator; and, accordingly, it seems to be generally admitted, that nowhere would it be easy to find, with in the same compass, so much clear, succinct, profound, and practical theology.
