

## Civil War in Kansas: Ten Years of Turmoil, The (Civil War Series)

In the 1850s, the eyes of the world were on Kansas. The Civil War in Kansas will be an overview of the years 1854 -- 1865, since the war began in Kansas nearly seven years before it spread to the rest of the nation. From the repeal of the Missouri Compromise to its entry in the Union, Kansas played a small role in the war as a whole, but its effects on the state were nonetheless important. With regards to the Kansas citizens who played a part, it would be an understatement to call them colorful. From John Brown to Jim Lane, Kansans made headlines throughout the nation and the world. Bisel presents the history of Kansas during the Civil War years in an accessible way that will satisfy history buffs as well as enlighten novices.
