

Life AfterLife

There is no man on earth who is not curious as to what happens after his death; what happens to his family; is there life after death; will he take re-birth and if yes, will it be as a man only? Besides, all men are intrigued as to whether they will re-unite with their loved ones in any of their later births. Life afterlife captures the journey of one such man, Varun. Varun is a 40-something well-settled man, living happily with his family when the deadly jaws of death suck him into its fold suddenly. Varun meets someone after his death who removes all his doubts, which most men have. In his fascinating journey into the Afterlife, Varun comes across different characters, some known and some unknown. In the end, Varun does get a chance to re-unite with his family, but does he take it? Read on, for most fascinating journey you would have ever made, along with Varun?
