

## Savior: A Tattered Club Story: Tattered Social Club Series

With a violent past, Niko Malikov knows revealing any weakness could be a death sentence. Growing up on the rough city streets was a lesson steeped in violence. He has always been the go-to guy and, now, his successful career at The Tattered Social Club as one of their premier artists has proven anything is possible. Anything but revealing his secret. A secret that would destroy the man he's become. That unshakeable strength is wounded when a young man walks into the shop wearing a pair of skinny jeans. Ethan Cohen sold his soul for a bed. With the scars of his past still visible, he's ready to move on. Nervous and determined, he enters the Tattered Social Club to get a tattoo from the hottest artist in the state. All he wants is a phoenix tattoo, but the gruff bulky guy sitting in the studio has no plan of letting that happen. Ethan knows from the moment they steal that first kiss, the man with the painted skin isn't ready. Maybe he isn't either. Against everything his broken heart is whispering he wants. God, he wants to be wrapped in those strong arms, but he's fighting for freedom with a man unwilling to be free. So different. Falling into each other's shadows. The undeniable need. The savior.
