

## Ace Up My Sleeve

When three very different people come together, all out for the same thing and prepared to go to any lengths to get it, the stakes are likely to be high. But, for a wealthy middle-aged woman, an international lawyer and a young American, games of bluff and counter-bluff quickly develop into a dangerous and deadly battle. As the action hots up, Chase weaves a fast-moving story of blackmail, intrigue and extortion with a hair-raising climax.
