

An Apache Princess: A Tale of the Indian Frontier

Under the willows at the edge of the pool a young girl sat daydreaming, though the day was nearly done. All in the valley was wrapped in shadow, though the cliffs and turrets across the stream were resplendent in a radiance of slanting sunshine. Not a cloud tempered the fierce glare of the arching heavens or softened the sharp outline of neighboring peak or distant mountain chain. Not a whisper of breeze stirred the drooping foliage along the sandy shores or ruffled the liquid mirror surface. Not a sound, save drowsy hum of beetle or soft murmur of rippling waters, among the pebbly shallows below, broke the vast silence of the scene. The snow cap, gleaming at the northern horizon, lay one hundred miles away and looked but an easy one-day march. The black upheavals of the Matitzal, barring the southward valley, stood sullen and frowning along the Verde, jealous of the westward range that threw their rugged gorges into early shade. Above and below the still and placid pool and but a few miles distant, the pine-fringed, rocky hillsides came shouldering close to the stream, but fell away, forming a deep, semicircular basin toward the west, at the hub of which stood bolt-upright a tall, snowy flagstaff, its shred of bunting hanging limp and lifeless from the peak, and in the dull, dirt-colored buildings of adobe, ranged in rigid lines about the dull brown, flat-topped mesa, a thousand yards up stream above the pool, drowsed a little band of martial exiles, stationed here to keep the peace twixt scattered settlers and swarthy, swarming Apaches. The fort was their soldier home; the solitary girl a soldier's daughter.
