

## An Historical and Descriptive Account of British America, Vol. 1 of 2: Comprehending Canada, Upper and Lower, Nova Scotia, New Brunswick, ... and the Fur Countries (Classic Reprint)

Excerpt from An Historical and Descriptive Account of British America, Vol. 1 of 2: Comprehending Canada, Upper and Lower, Nova Scotia, New Brunswick, Newfoundland, Prince Edward Island, the Bermudas and the Fur Countries The territories of British America, even after having lost enough to constitute one of the greatest states in the world, embrace a very large proportion of the earths surface, and present natural features at once extremely grand and romantic. The native inhabitants were distinguished by energy and intelligence above all the other rude tribes of the Western Continent, and displayed, perhaps, beyond any similar race, the most striking peculiarities of savage life. Their long and fierce struggles, before yielding to the superior numbers and martial Skill of Europeans, gave rise to scenes much more inter. Esting than ever diversify the routine of civilized warfare. Finally, the exploits by which those regions were added to the dominion of Britain, are acknowledged to rank among the most brilliant that adorn her annals in any age. These colonies, too, have acquired an augment. Ed importance from the great changes effected in our own times. Their rich and varied products. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
