

An Honorable Man

He Was Looking For Forever Priscilla Garner isn't looking for romance. She's more interested in being accepted as the only female firefighter at Station 59. But when she needs a date platonic, of course to her cousin's wedding, she turns to Roark Epperson. After losing control during a brief relationship with him, she turned him away. Can she handle the heat this time around? Being close to Priscilla suits Roark just fine. He has never understood why she ended things between them six months ago, but he respected her decision. However, he hasn't forgotten the moments he spent with Priscilla and wants her to be part of his life always. Knowing this may be his last opportunity to make her see how much he cares, Roark intends to make this second chance count!
