

True Heart (Mills & Boon Vintage Superromance) (9 Months Later, Book 29)

They're on a collision course again. Rancher Tripp McGraw knows that only the big ranches will survive in southwest Colorado, and he's determined to buy the Circle C, a ranch that adjoins his own. If he wanted to, he could foreclose on a loan and force Kaley Cotter to sell her spread to him. Newly divorced, pregnant by her ex-husband, Kaley has just returned to the Circle C, a ranch her family has held for four generations. Now her baby will be the fifth; as long as Tripp doesn't succeed in buying her home out from under her. To make things even more difficult, nine years ago Tripp ended his engagement to Kaley without explanation, and both lovers felt abandoned and wronged. Two passionate, stubborn people heading for heartbreak once again. But maybe, just maybe, love is better the second time around.
