

Angus Grady: The Beginning: Enforcer of Allard Island: His personal journals

Angus Grady, at the age of thirty, is attacked and becomes immortal. His mission is to protect and enforce the laws of Allard Island. The government has destroyed most of the world with a bomb, so the humans, immortals, and androids inhabit the Upperworld while the vampires and demons inhabit the Underworld. Together they live in peace, or try to. But soon Angus will learn of his true past. Will he be able to handle it and still do what he loves best enforce the laws of Allard Island? Angus and his friends will take us on many different adventures and you will learn of their world.
