

Moon Rising: An Eclectic Collection of Works

Through photographs, verse, insightful musings, anecdotes, and short stories, Moon Rising takes a luxuriant ramble over a broad range of human emotions, evoking lightning bolts of empathy and recognition. Gorgeous photographs are perfectly paired with deftly crafted text to create a visceral experience of the sights, sounds, and feelings of the human experience and rural life in particular. With richly sensory detail, humour, passion, and keen poetic insight, the photographs, verse, and prose of Moon Rising offer a delicious smorgasbord of emotional highs and lows.
