

Assumed Obligation

This sequel to Assumed Engagement, a variation of Jane Austens Pride and Prejudice, follows Mr. and Mrs. Fitzwilliam Darcy after they are married. When they return to Pemberley after their wedding journey to Paris, they begin their lives anew. Darcy works to get the school for the deaf started and Elizabeth learns her role as Mistress of Pemberley. Kitty visits Pemberley as Georgianas guest, and the two grow in their friendship while searching for love. This sequel also addresses the issue of how it came to be that Darcy visited Ramsgate in time to rescue Georgiana from Wickhams clutches.
