

Awseungsaengak: Nowhere to Run

On an island in South Korea replete with natural beauty and in the middle of a major demographic transformation, the daughter of a developer is raped on a hike in the middle of the day. She is too ashamed to tell anyone. A year later, Shin Su Mi is unable to bear the pain any longer. What choice will she make: ask the islands unreliable and sexist police force to take her case, or pursue her own justice? If she chooses the latter, what will that justice look like? Awseungsaengak is her story.
