

## Too Perfect: A Modern Tale of Frustration, Lust and Satisfaction

In *Too Perfect* Todd Dyson finds himself caught in a conundrum after meeting a transsexual. Todd has finally met the woman of his dreams but Andrea has more than he expected. Todd is a frustrated assistant principal who longs for a woman he can call his own, at least for one night. Todd works around women who are not sexually appealing to him. Todd often finds himself daydreaming about famous female singers who he will never meet. Todd's world shifts when he meets Andrea at the gym. Todd can barely keep his mind on exercising after he sees Andrea working out with a friend. Todd is shocked to find out that while he is becoming sexually charged so is Andrea in similar fashion. *Too Perfect* is a story of Todd's struggle to come to terms with his attraction to Andrea knowing she is more than the woman she seems. Todd is also faced with temptation from another quarter that he really doesn't even want to acknowledge while at work. *Too Perfect* takes a look at the interactions between educators when no one is looking. *Too Perfect* follows Todd as he deals with dilemmas that many men face but refuse to acknowledge. *Too Perfect* takes the reader into the mind of a man to give a unique perspective of how many men think and feel about women and sexual activities.
