

## Betting the Billionaire

This story has it all! -Jennifer Probst, best selling author of *The Marriage Bargain* If that man calls her one more time... So what if Gabe Campos is a model-dating billionaire who gets Keisha Jacobs hotter than a Ferraris engine on the straightaway? He keeps pushing her to sell her familys furniture business, but shell never give in--not unless she wants to give her father a second heart attack.All Gabe should be thinking about is how hell finally get revenge on the man who killed his father. But when he meets the mans daughter, Keisha, instead of focusing on destroying Jacobs Fine Furnishings, he cant get her warm-whisky voice out of his mind.Forced by a snow storm to spend the night together, their passion ignites. The next day, however, its back to business. The only way Keisha can save her family is to win a bet with the billionaire. But neither realized their hearts are part of the bargain...
