

# Integration of the Ukraine to the worlds economic system by means of special investment regimes

Magisterarbeit, die am 26.12.2003 erfolgreich an einer Universität in Ukraine im Fachbereich Economics and Management eingereicht wurde. Abstract: The purpose of the thesis is theoretical grounding and working out some practical recommendations on the Ukraine integration to the world economic system through the special investment regime. The subject of the thesis is the economic and organizational elements for the Ukraine integration to the world economic system through the special investment regime. The object of the thesis is the National economy of Ukraine as a whole and that of the Donetsk region. The theoretical and methodological basis of the investigation includes some methods of theoretical generalization, system analysis, synthesis (to study the integration processes in the world economic system), statistical analysis (to study the world integration development as well as the investment situation in Ukraine) and those of simulating the economic processes (while working out the approaches to the efficiency estimate of functioning the territories with special investment regime as a social-economic model). In the thesis investigated theoretical approaches to the analysis of integration national economies to the world economic system, the role of territories with the special investment regime in the development of integration processes. Analyzed the world investment processes, situation and activation allowing of investment process in Ukraine and investigated the role of special economic zones and territory of priority development in the foreign investment as the regional aspect of world integration processes. Created recommendations for the improvement of organization of the investment management complex on the territories with special investment regime, creation of dual management system of territorial with special investment regime.

Proposed to considerate social aspect as definition component of investment project realization, element of ...
