

Where The Heart Is (Oprah Book Club Edition)

Novalee Nation is seventeen, seven months pregnant, and on her way to California with her no-good boyfriend when he abandons her at a shopping mall in Oklahoma. In this contemporary fairy tale with no fairy godmother in sight, Novalee depends on herself to build a new life. Living inside a Wal-Mart at night and on the streets during the day, Novalee patches together a family from the caring people she meets. Capturing each one on Polaroid film, she sees the goodness of each soul and finds a way to help others as they help her.
