

Birthday Surprise (Angel Wings Book 2)

Join angel-in-training Ella and her friends on another magical adventure up in the clouds in the second book of the whimsical new Angel Wings series! It's Jess's birthday, but instead of feeling festive, she is especially homesick. She waits eagerly for a birthday present to arrive from her family, but nothing comes in the mail. Ella and her other friends want to cheer Jess up, so they plan to make a magical glitter bomb as a birthday surprise! But the surprise doesn't go quite according to plan, and when Ella over-packs the package with glitter it makes such an explosion that it destroys a priceless statue at school! Will Ella's glitter-tastic accident get her expelled from Angel Academy?
