

## Black Blossom (Kherishdar Book 3)

The high priest of Shame in Kherishdar is shattering, and the only thing between him and his ruin is the gentle Calligrapher, Farren NaiSheviet-osulkedi. When they are dispatched by the god of Civilization to Qenain, the House of Flowers, they find it in disorder, having fallen prey to a mysterious influence... an alien influence... a human one. Can one man heal Shame in time to save him and Qenain both? Or will they both fail? And what will happen in and to the House of Flowers? *Black Blossom* is a genteel, conversational fantasy of society, culture... and the perversions that threaten them. The three Books of Kherishdar can be read in any order. This 2nd edition of *Black Blossom* (2016) includes all new backmatter with the three deleted scenes written for the Kickstarter.
