

## Dream Shadows

Dr. Emma Linton, Past Life Regression Therapist, arrives in Mosswood, Mississippi after her patient is injured and lies in a coma. Only Emma knows her patient went to Mosswood to research a woman who died thirty years ago in the belief that her patient was that woman in a past life. Emma is at odds with the handsome, sexy sheriff Colter Dawson, but their attraction to one another is passionate and all consuming. However, Colter believes past life regression therapy is hocus pocus and isn't about to undergo hypnosis to relive a traumatic event from his childhood. Emma determines to uncover a mystery from the past that is very much influencing the present. When old secrets are dredged to the surface and Emma's life is threatened, can Colter keep her safe from past sins and present danger? Will haunting dream shadows threaten their love and rip them apart?
