

Close to You: A Fusion Novel

From New York Times and USA Today bestselling author Kristen Proby comes the second novel in her sizzling Fusion series. Camilla, Cami, LaRue was five-years-old when she first fell in love with Landon Palazzo. Everyone told her the puppy love would fade they clearly never met Landon. When he left after graduation without a backward glance, she was heartbroken. But Cami grew up, moved on, and became part-owner of wildly popular restaurant Seduction. She has everything she could want...or so she thinks. After spending the last twelve years as a Navy fighter pilot, Landon returns to Portland to take over the family construction business. When he catches a glimpse of little Cami LaRue, he realizes she's not so little any more. He always had a soft spot for his little sister's best friend, but nothing is soft now when he's around the gorgeous restaurateur. Landon isn't going to pass up the chance to make the girl-next-door his. She's never been one for romance, but he's just the one to change her mind. Will Seduction be just the name of her restaurant or will Cami let him get close enough to fulfill all her fantasies?
