Brothers In Arms - Book 2: Undeniable
Book 2 Description Dannys heart was torn and broken into many pieces when Peter left him. Then Garret came into Dannys life unexpectedly and shown him how it is to be really loved something he never experience with Peter. Danny is overwhelmed with happiness being with Peter but his joy didnt last for long. Fate decided to take a cruel joke on them Garret is Dannys long lost brother. Book Excerpt
The waves crashed against the bottom of the rocks, spraying Danny with a heavy mist as he sat on the jagged stone surface and watched the ocean. It was like someone playing a cruel, twisted joke on him. Garret had appeared on the beach last night like an angel from God, easing his pain, showing him a brighter, more hopeful future than hed ever envisioned with Peter. Then it was all just gone in the blink of an eye. In the time it took to make an introduction. Danny, this is your brother. Danny watched the waves slam against the rocks as the pain inside him slammed into his heart. Your brother. He shook his head slowly. His elbows ground into his knees as he leaned forward. He isnt my brother. He isnt! We made love! We connected. We fell in love! Danny choked on a sob that swelled up suddenly, and wiped at his wet eyes and secreting tears. Brothers In Arms - Book 3: Truth Of The Matter Book 3
Description What does the future hold for Danny and Garret? Will saying goodbyes and forgetting what happened between them the only right thing to do? Book Excerpt: Garret stroked Dannys back with his fingertips and kissed his hair. This was the last time he and Danny could be together this way. He knew it, and so did Danny. He looked at the window. Darkness still pressed at the glass, but soon the gray light of dawn would begin to creep in, then morning would follow. And it would all be over. He could never touch Danny again.

Never tell him how desperately in love with him he was. Never just gaze at him without having to veil the love that pressed outward from his heart.
