

Guide to Presentations (Pearson Guide to Series in Business Communication)

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Directed primarily toward college/university students, this text also provides practical content for anyone who has to make presentations. A brief, professional, reader-friendly guide to creating effective presentations. Many people avoid giving presentations or simply suffer through them. Guide to Presentations, with its clear, concise, and practical information, helps readers understand how to prepare and practice in order to make presentations far less troubling.
