

14 Karat Beauty

14 Karat Beauty From the moment they met, Paige Garrison knew that Linc Tanner was someone special. Arrogant and magnetic, he seemed to her as dangerous as his profession: auto racing. She came from a different world, and her wealthy father always intended that she should marry money. How could she tell him that she had fallen in love with Linc, a man who thought nothing of risking his life--and with it, her heart! A Joyride Books romance classic by Linda Wisdom!
