

Love And Victory: Can a fantasy be true love?...Or just an Illusion?

As Sequoya prepares to walk down the aisle to marry an eager CEO of a major corporation, she relives her experience with a man who appeared in her life at a pivotal time. Life circumstances caused Sequoya to relocate to a small town where she didn't know anyone. There, she tried to reconcile the difficulties her family's past had caused in her life. She had yet to discover her own identity. With very little family or friends for support, Sequoya encountered a young man named Reece. Reece had penetrating eyes that pierced her heart over and over. Sequoya recounts their flirtatious, affectionate, and sometimes rocky friendship. With a new found maturity...she realizes she will always love Reece. Can Sequoya marry her eager CEO as she shifts through her memories of loving Reece?
