

Charms for the Easy Life

In the verdant backwoods of North Carolina, in a sad and singular era, the Birches are unique among women of their time-living gloriously rich it decidedly offbeat lives in a private world abandoned by men. And though misery often heats a path to their door, headstrong Sophia and her y, brilliant daughter Margaret possess charms to ward off loneliness and despair-thanks to the uncompromising strength, uncommon wisdom, and muscular love of a remarkable matriarch and self-taught healer who calls herself Charlie Kate. In *Charms for the Easy Life*, Kaye Gibbons has created a luminous, truth-telling novel that gives life to her most passionate and tough-minded women yet.
