

Chrysalis (Carnathian Chronicles Book 2)

Shes still waiting to exhale Life support engineer Kiyán Arroyo barely survived the horrifying Carnathian interrogation that helped catch the man responsible for sabotaging the atmosphere generators on Deneb IV, but the invasive brain scan also uncovered a secret shed vowed never to reveal. Her knowledge could be the key that will save a race from extinction, but for a crucial experiment to work, she has to put her trust in the people who tore her mind apart. Can love grow in the wake of devastating destruction?
