

The Kings Love Song (A Prasala Romance Book 2)

What I see inside you is far more intriguing than anything in my world. Darcy Matthews doesn't believe in love. But she's thrilled to travel to Prasala for her sister's royal wedding. What big sister doesn't know is the day after the ceremony Darcy plans to head to LA to start the singing career she dreamed of all her life. Katy doesn't want her to go but Darcy's mind is made up. Except for the dark, knife-like stare of the seductively handsome King. The look that sends shivers down her spine. That might make her put her plans on hold for a while. Maybe. Six months ago Leopold de Chambonay was crowned King of Prasala by a quirk of fate. Now he must prove that act was not a mistake. He longs to be a great King like his father. But the graceful carefree creature who is now his sister-in-law has cast some sort of spell over him. He finds himself drawn to her, longing to forget his duty and take her in his arms. This cannot be. He must rid himself of her before he does something that might threaten the kingdom. Why should Darcy care what the enigmatic King thinks of her? This crazy yearning in her heart for him doesn't mean anything. Besides, she would never pine over a man. After all, love is just a game. Isn't it?
