

The Midnight Clowns

In the middle of the night, you hear feet on the stairs. They make a sound like wet fish being slapped onto a slab. They must be very big feet. And they're coming closer... What would YOU do if a sinister troupe of supernatural clowns had picked you out as their next victim? That's the terrifying plight that faces Ben Swift and his sister Claire. If they can't find a way to outwit their pursuers, Ben will be forced to drink the clowns' magic blue potion - with terrible consequences. Suitable for ages 9 to 12. Shortlisted for the Kathleen Fidler Award. A genuinely spine-chilling page-turner... these clowns are no laughing matter. Kathryn Ross, SCOTTISH BOOK TRUST. A superb first novel and an author to watch. Val Bierman, CAROUSEL
