

Globalizing Critical Theory (New Critical Theory)

Across a spectrum of academic disciplines, the topic of globalization is at the forefront of contemporary efforts to understand a dynamically changing world society. How might critical social theory respond creatively to the challenge of thinking and theorizing globalization in its full complexity? *Globalizing Critical Theory* collects essays by scholars at the forefront of Critical Theory as they confront this timely topic. This book offers readers a chance to see contemporary Critical Theory in its full range?from political analyses of a global public sphere, critical race theory, and the politics of memory, to aesthetics and media studies. It includes crucial new essays by Jürgen on the transformations of the global order in the wake of the American invasion of Iraq, and major interventions by Nancy Fraser, Peter Hohendahl, Andreas Huyssen, James Bohman, and others. *Globalizing Critical Theory* provides a fascinating exploration of how Critical Theory is confronting the question of globalization?and how globalization is transforming Critical Theory.
