

ROMANCE: PARANORMAL ROMANCE: Big Bears Secret (Bear Shifter Football Romance) (Billionaire Shapeshifter Contemporary Romance)

FANTASIES DO COME TRUE! Carter Anderson is one of the NFL's most prominent players. He's the star quarterback who's always on the cover of magazines. Sophie is his number one fan, and she knows they're meant to be together. She's already in love with Carter. Now, the question is, will the football star see her as someone more than his fan? Sophie I had the perfect plan to score my new boyfriend, Carter. I would hunt him down after the big game to surprise him with the perfect birthday gift. Turns out, the surprise was on me! I found out his deepest secret: he's a shifter who can turn into a twelve-foot bear at will. It's a funny thing when you are in love- I couldn't stop thinking about his perfect, sculpted, athletic body, all the while being half-scared to death. Is it crazy for me to still be head over heels for this man? **AUTHORS NOTE:** This is an 8000 word stand-alone story with an HEA, so no cliff-hangers! Story contains mature themes and language, and is intended for 18+ readers only.
