

Bottoms Up: by: Allie Alexander (Guide Books by: Allie Alexander Book 1)

Eager to fulfill her husband's fantasy, yet anxious about what she may endure, Allie Alexander meets her fabulous friend Tripp Elliott for some tried and true advice on anal sex. *Bottoms Up* is a tongue-in-cheek look at the fears and hopeful cheers of sexual exploration into the sometimes taboo world of anal play. Fun, frisky, and informative, this guidebook will not only give you pointers on safe and painless (or less painful) anal sex, it will also produce a few laughs, and plenty to talk about on your next girls night out - not to mention a little dirty talk with your partner.
