

Devil She Became: A Psychological Suspense Thriller (Devils Angels Book 1)

Beware: Passion can lead to Murder. In this psychological suspense thriller when beautiful Reese Vogel met wealthy, handsome Harrison Grantham she thought she found the perfect man. Sexy and powerful, Harrison was everything she ever wanted. Their love was intense, erotic and full of passion. Only one thing stood in their way. His wife. When she threatens their illicit affair how far will they go to preserve their relationship? Will they succumb to a burgeoning evil born of desire? A vicious web of deceit, lust, and betrayal entangles them all who will make it out alive and who will be devoured? Who will be the first to recognize the Devil She Became? Interview with the Author Q - So, what makes the Devils Angels series special? A - When I started to write these books, I wanted to create something that was exactly the kind of books I like to read. My top picks are usually suspense thriller novels and noir fiction thrillers, and, of course, books that have a chilling psychological thriller/horror type feel. The Devils Angels books are a great mix of these genres. You'll find the series focuses on the erotic suspense thriller/psychological horror genre overall, with a couple of romantic suspense thrillers thrown in for good measure and a chilling psychological thriller or two to keep things interesting! Overall, the Devils Angels series is designed to keep you turning the pages! They are a complete thrill ride! Q - What order should I read the books in? A - Since I only have two books out in the series so far, I'd suggest the following sequence: - Devil She Became-An Erotic Suspense Thriller (Book One) - Ava-A Chilling Psychological Suspense Thriller (Book Two) - Book Three Coming Fall 2016! Q - So, why should readers give these books a try? A - Because the Devils Angels series is a fast, fun, thrill-ride! Ultimately, readers who enjoy tons of plot twists, a total roller coaster ride complete

with an erotic/romantic turn or two will LOVE these books! Fans of Jennifer Jaynes, Anne Rice, Anni Taylor, and even Stephen King will enjoy these books.
