

Daniel Websters First Bunker Hill Oration: Together With Other Addresses Relating to the Revolution

In the uniform entrance requirements now generally adopted by our colleges Webster's First Bunker Hill Oration is placed among the books which are to be carefully studied under the immediate direction of the teacher. It is with the purpose of marking out distinct lines for such study that this edition of Webster's famous speech has been prepared. Three others of Webster's best-known orations, dealing with kindred topics, have been added, that pupils training may not, unless it is absolutely necessary, be confined to the single oration prescribed. F. N. S. University of Michigan, September, (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
