

The Underwater Investigation Series: Boxed Set (4 Books)

These fast-paced CSI diving mysteries feature Hannah Sampson, a cop, an expert scuba diver, and a homicide detective who investigates crime scenes that lie on the ocean floor. Hannah dives deep into tropical Caribbean waters where danger is only a breath away from the beauty of her surroundings. Though the ocean itself can turn violent, Hannah's real foes are the human kind—those who murder for profit, ambition, and out of passion, often exploiting the ocean itself—the coral reef, sea turtles, mangrove colonies, even shark populations, an environment she has learned to treasure.

EDITORIAL COMMENTS Kathy Brandt is a terrific writer. The scene with the sharks inside the aircraft was enough to cause nightmares. Well done! Clive Cussler A fast-paced thriller explodes onto the opening page. By the end of the first chapter, Brandt's heroine is breathless and the reader is hooked.

Diver Magazine You think being a detective on terra firma is tough? Try doing it underwater—it's all in a day's work for spunky British Virgin Islands police diver Hannah Sampson. Vivid descriptions of the mysterious world that bubbles beneath the deep blue sea.

Strand Magazine Whether she's diving through the dark innards of a shipwreck or chasing a killer on the docks of a deserted marina in the dead of night, this heroine never loses her cool.

Islands Magazine In the tradition of Kinsey Millhone and V.I. Warshawski. It's about time a feisty female investigator leaves the cold behind for the excitement of the islands.

American Eagle Latitudes White-hot writing, a charismatic heroine, and crackling tension flawlessly merge as satisfying as finding buried treasure.

Romantic Times A lush, atmospheric look at the British Virgin Islands. Assuredly plunges you into a sordid tale—an exciting, well-crafted beach read.
