

Dear Rita (Kimani Romance)

In a battle of the sexes If agony aunt Rita Steadman ever received a letter asking for advice about a man like Dorian Black, shed tell the writer to run for the hills. Every inch of the impeccably dressed, arrogant divorce lawyer spells trouble. Which makes it all the more frustrating that she cant stop thinking about his gorgeous smile, broad shoulders and mesmerizing eyes! Will love come out on top? On paper, Ritas antiman advice column convinced Dorian they were a match made in hell. In person, theres a spark neither can deny, one that draws them together again and again.
