

## Devil in the Details (The Riesa Grimshaw Series Book 1)

Atlanta city girl, Riesa Grimshaw, has been estranged from overbearing grandfather for seven years. Now, after his death leaves her as the only surviving member of the Grimshaw family, Riesa returns to get her grandfathers backwater country home ready for sale or rent, only to find clues that the past she remembers isnt real. Matters are further complicated when she accidentally releases a demon from a journal that has been hidden in the attic for the past seven years. Things are bad enough with altered memories, an accidental demon familiar, and a family curse riding on Riasas back, but when cryptic messages and slaughtered animals start showing up in her path, she knows that this is only the beginning. Devil in the Details is a modern supernatural fantasy that delves into the world of demons, angels, and family secrets, set in the small town of Salem, Alabama.
