

Diamonds & Desire: The Priceless Collection (Volume 1)

Nothing shines quite like a diamond... Jordana Shaw thinks taking her sisters place at a charity auction will be a fun alternative for a Saturday night. Little does she know this favor will change her world forever. Before the night is through, she's got a diamond necklace in her purse, an unconscious handsome millionaire in bed, and an unbelievable story to tell him in the morning. Nothing tastes quite like desire...

It's not every day a man is rescued by a woman he just met. Logan Savant is not only grateful to Jordana, but also surprisingly enchanted, and eager to return the favor. Little does he know it'll start with a trip to Vegas to stop her sister's wedding. But that's just the beginning. Because bringing her into his world is costing more than he ever imagined.
