GENRE: Childrens Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Erik Enderman is back in this sequel of his diary. In the last diary he learned the meaning of hard work and how valuable some blocks really are. In this sequel, Erik is ready to improve his house. He recruits Steve to go on a series of adventures with him. What is meant to be a small mission to get some rarer materials for his house turns into many action-packed events. Erik and Steve must team up to fight many mobs that want to cause them harm and steal their new supplies. The question still remains, will Erik be able to get home safely with the new materials that he is risking his life for? Will others be impressed or influenced by Erik and Steves actions or will they go home without an ounce of fame to their names? As Erik and Steve go on terrifying adventures they may even find something more exciting than what they were looking for in the first place. Friendship, mobs, and even rare gems play a large part in the story of Erik Enderman. Eriks diary is like reading straight into his mind and looking through his eyes to understand everything going on in Overworld. You can read all about Erik and Steves great time in Diary of Erik Enderman 2: Adventures with Steve.
