

Drawing Near To God: Seeing God, in a World of Darkness

As humans we tend to have struggles in our lives that are generally not easily explainable. Some hardships that we go through, to name a few, include; anger, disappointment, sadness, loneliness, and confusion. When we experience these hardships and circumstances in our lives, we always try to find a way to mediate these feelings and try to fix things on our own, however, time after time, we will end up failing and feeling unfulfilled once again. This book is aimed towards helping you understand the change in our hearts that happen when we follow Christ, and if you're not already following Christ, hopefully this book will help you understand the importance of trusting in God. This short book outlines my experience in knowing God and how he has helped me in my times of struggle to see the larger picture and to learn how to rely on his strength rather than our own, because he is all we need. We have to understand that Jesus had experienced all the things we experience today. By knowing this, we can know how to react to the circumstances in our lives, because Jesus himself understands exactly what you go through on a daily basis, and he promised us that he will give us peace during any situation in our life and the great gift of everlasting life!
