

## Lifes Little Ironies

Thomas Hardy was one of the greatest British authors during the Victorian era. Hardy was highly critical of Victorian culture and also focused on the declining rural society. Though Hardy was a great poet it is his classic novels, such as *Far from the Madding Crowd*, *Tess of the d'Urbervilles*, and *Jude the Obscure*, that he is best known for. *Lifes Little Ironies* is a classic collection of short stories that deal with both tragedy and humor.
